

## Pub Crawl Map - Scan to begin!

Share this link with your friends: <https://glympse.com!/esnye>

Welcome to the Live Pub Crawl Broadcast! This interactive LIVE map will provide a fun experience for all participants, while making it easy to keep track of a group.

**Show your location to join the fun!! (Location sharing ends after the event)**

1. **Download the Glympse App:** Download the Glympse App on the App Store / Play Store. 
2. **Set Permissions:**
  - Go to your phone's Location Settings.
    - i. iPhone: Under Settings / Privacy / Location Services
    - ii. Android: Settings > App > Permissions > Location.
  - Scroll down and find the Glympse app. Set the location permissions to "**Always**" or "**Allow all the time**".

### Join the Public Tag

1. **Join a Public Tag on the Glympse App:**
  - Tap on the "**Tags**" icon at the bottom of the screen and select "**Join a Tag**".
  - Enter the tag name: **esnye**
  - A pop up box labeled "Join Tag" will appear... Select "**Share with Tag**" and set your sharing time to 12 hrs and press "**Send**". You will now see "**esnye**" at the top of the map.

**During the Event:** Anyone can view the locations of the participants using this Glympse Tag by accessing the public tag on the Glympse website: <https://glympse.com!/esnye> Please share this link with friends and family.

**Safety First!!** Always drink responsibly. Please use Uber or a local taxi to travel to and from this event.

Enjoy the pub crawl, drink responsibly, and have fun!
